that week will be given over to the

big celebration, and the appoint-

classes, by former principals, etc. A
system of registration is included,

Everybody is going to need it more in the future,
too, when the earning capacity is less than dur-

to save a little NOW—a little at a time, but that
little often.

**MEAT CAUSE OF
KIDNEY TROUBLE**
Take a glass of "Salts for your Back
hurts or Bladder bothers—Meat
forms uric acid.

If you must have your meat every
day, eat it, but flush your kidneys with
salts occasionally, says a noted author-
ity who tells that meat forms uric
acid which almost paralyzes the kid-
neys in their efforts to expel it from
the blood. They become sluggish and
weak, then suffer with a dull
misery in the kidney region, sharp
pains in the back or sick headache,
tenderness, your stomach sour, tongue
is coated, and when the weather is
bad you have rheumatic twinges. The
urine gets cloudy, full of sediment,
the channels often get sore and irritated,
obliging you to seek relief two or
three times during the night.
To neutralize these irritating acids,
to cleanse the kidneys and flush out
the body's urinous waste, get four ounces
of Jad Salts from your druggist, and
take a tablespoonful in a glass of
water before breakfast for a few days
and your kidneys will then act fine.
This famous salt is made from the
acid of grapes and lemon juice, com-
bined with lithia, and has been used
for generations to flush and stimulate
sluggish kidneys, also to neutralize
the acids in urine, so it no longer irri-
tates, thus ending bladder weakness.
Jad Salts is inexpensive; cannot in-
jure, and makes a delightful efferves-
cent lithia-water drink.

**METHODISTS HELD
ANNUAL MEETING**
Encouraging Reports Presented by
Various Church Departments.

The annual roll call and gathering
of the First Methodist church of this
city was held Thursday evening, with
a large number present, filling the
church parlors to overflowing.
The gathering was opened with
prayer by J. B. Main, after which
came the reports of the various or-
ganizations and departments of the
church. These showed progress all
along the line. The reports were most
gratifying.
During the evening music was ren-
dered by the church choir and the
young people's choir and by Myrton
Jackson and D. W. Ide. Refreshments
were served and a most enjoyable eve-
ning spent by the members of the con-
gregation and their friends.

Store Reopened.
The store of the Church-Reid com-
pany at the corner of Main and
Church streets was opened Thursday
and the alterations and improvements
just effected have resulted in a most
attractive corner. The store is now
filled with a large stock of goods,
and the system of lighting used
produced a very handsome effect.

Holmes-Tanner Wedding Thursday—
Birthday Dance—Stubbhorn Brush
Fire at Hopeville.

The marriage of Miss Olive M. Tan-
ner of Ekonk and Harry F. Holmes
of Griswold took place at the home
of the bride Thursday morning at 10
o'clock. The ceremony was performed
by Rev. Albert Townsend of Vol-
untown. The bride was attired in
lavender silk. The ceremony was wit-
nessed by the family and a few in-
imate friends. A breakfast was
served. The bride received many
beautiful and useful gifts. Mr. and
Mrs. Holmes are away on a trip for
a week and on their return will reside
in a newly furnished home on the
W. C. Terry farm, in Griswold.
The bride is the daughter of Mr.
and Mrs. William Tanner of Ekonk,
and the groom is the son of Mr. and
Mrs. William Holmes of Griswold.

Kitchen Dance on Birthday.
A party was given William Bitgood
on Wednesday evening, in hon-
or of his birthday. It took
the form of an old fashioned kitchen dance
with music furnished by Francis or-
gan. Bitgood received a pair
of automobile gauntlets from the
friends. Refreshments were served
during the evening.

Magazine Agents Suspected.
Two young men struck the borough
Wednesday claiming the have aspira-
tions to attend college. They were
dolefully subscriptions for a mag-
azine, relative to where they lived or
where they were hoping to attend col-
lege. It was necessary finally to in-
vite them to where they lived. It
is not believed that they were making
a bona fide proposition. Jewett City
people have been stung on one or two
occasions by impostors in this line.
On the other hand, one young man,
who was known by a lady here, was
honest in his endeavor to earn his
tuition.

Brush Fire at Hopeville.
A stubborn bush fire started on the
old Jesse Gibson farm at Hopeville
early Thursday afternoon. Under the
influence of the half gale that blew
all day it soon got away from the lo-
cal fighters. Help was summoned
from Pachaug and all the nearby
farmers turned out, at 4 o'clock it was
as if each one they secured their
principally brush and sprout land were
burned over; also three hundred rods
of rail fence were burned; the damage
will amount to but little. This fire
was no sooner out than A. A. Young,
superintendent of the Jewett City Wa-
ter Co., was notified by Captain Cul-
ver, who lives at the reservoir, that
a big fire was raging all through the
western watershed owned by the com-
pany.

The fire started in the southern bor-
der of the town of Plainfield and
spread rapidly toward Griswold
and in late afternoon reached the wa-
ter company's property. First Select-
man James P. Shea was notified. In
addition to the men from Stone Hill,
Hopeville and Griswold two automo-
bile loads were directed the fire from
the borough. Deputy Fire Warden S.
F. Palmer took charge but late Thurs-
day evening the fire was not under
control.

In its course southward much val-
uable timberland was burned over.
The burned district in 25 acres, com-
pany's holdings is principally young,
valuable, second growth oak and chest-
nut.

The town pays 20 cents per hour to
the fire fighters. One-half of the ex-
pense is borne by the state, one-

fourth by the county and one-fourth
by the town.
